COLEMAN TO HAVE ARTIFICIAL CURLING ICE

Announcement was made in Coleman this week that plans have been definitely approved to install artificial ice in the Coleman curling arena.

A committee, comprising Roy Upton, Geo. Jenkins, D. B. Young, Dr. Emil Aiello and Gene Fabro have been investigating the matter recently, and at a meeting held this week final approval was given to the installation of the plant.

When installed the plant will service four sheets of ice and work on the project will get underway this summer. Finance for the plant is being raised through the sale of bonds to members of the club and interested persons. The bonds are valued at \$25.00, and have an interest rate of four per cent. The committee reports that the sale of the bonds is exceptionally good.

Cost of the plant to be equipped with plastic pipe is estimated to be in the near vicinity of \$12,000, and an additional \$2,000 will be spent on re-decorating and adding improvements to the curling rink. One of the additions to the arena will be a ladies' lounge room.

Frank Krish Heart Fund Drive

The Willow Drive Community Association are going all out this week in an attempt to raise some \$3000.00 to assist one of their residents who must go to Mayor Clinic in May to undergo a heart operation. The group will approach various lodges and organizations here for donations and will also hold a collection in the near future. A draw for a grocery hamper will also help to raise funds for this worthy cause.

Suffering from the heart condition is Frank Krish, a married man with three children who is unemployed due to the heart condition.

Electric Score Board For Arena

An attractive Electric Score board has been recently added to the facilities in the Coleman Arena. The score board enables hockey fans to keep count of the home and visiting team scores throughout the game.

The new score board was installed by A. Montabetti while the sign was painted by J. Kinneer. All material was supplied for the job gratis by the Modern Electric store.

Pass Rep's To Attend Rebekah Assembly

Delegates and visitors to attend the Rebekah Assembly to be held in Calgary on March 9, 10 and 11 from the Pass lodges are P.N.G. Elizabeth Richards, Mrs. Florence Kerr, who will be assembly musician, Mrs. Cornett and Mrs. Helen Simpson, all of Coleman; Mrs. Teresa Newton of Bellevue and Ruby Deoux and Mrs. A. Morency of Blairmore.

If you wish to be perfect, follow the advice that you give others.

Winter Works Program In Full Swing

Town men in Coleman have recently been successfully put to work on winter projects planned by the town council.

Ten extra men besides the town's regular crew are now working and the men will be employed for one month then a new crew will be employed on a stagger system. Preference is being given to married men with children.

The crew building the storm sewer pipe work one day sifting sand near the town park where a corner is being cut off of a slope to widen a road. The following day the men work in a garage rated by the town and produce five 24-inch by 24-inch concrete sewer pipes per day. Plans call for the fabrication of some 600 feet of the storm sewer pipe to be installed in the town's drainage system on fifth and sixth streets and in West Coleman. The pipes will be installed later in the spring as soon as the frost is out of the ground.

Construction of the rock wall along the river bed in the town park is serving to beautify the park area and to prevent high spring water from damaging park property. Plans also call for levelling off the bottom of the creek bed which will be hard-surfaced and laid in several steps to form small water falls to break the force of water and to provide wading pools for the children in the town park.

Addition of the small water falls to the creek will greatly add to the appearance of the town's already beautiful park.

Council are also planning construction of two small bridges to be built over the Nez Perce Creek with one to be built at second street and the second in the alley on second street near the Legion park site. Both these bridges will have wooden decks.

Besides work on the bridges and the present work that is underway the council are also planning to have two upheavals near the rodeo grounds removed and the grounds levelled off. Several other programs are being discussed by the town of Coleman with a view to giving work to the town's unemployed, practically all through the winter months.

Greater Mine Safety Is Seen

Mr. Harry Wilton-Clark of Calgary, formerly general manager of the Coleman Collieries, now a Calgary engineer and member of the Nova Scotia government-appointed Royal Commission that recently investigated the October 23, 1958, Springhill mine disaster, said investigation of the Springhill tragedy may lead to greater mine safety.

"It is certainly possible that future investigations which in part may be prompted as a result of commission findings could be of benefit not only to the coal mining industry but to any deep mine," Mr. Wilton-Clark said.

"They could affect gold, potash, copper, base metal and uranium mines," he added.

Mr. Wilton-Clark declined to comment on specific findings of the three-man Springhill commission, whose recommendations are still being prepared.

New Partnership Coleman Cafe

Mr. and Mrs. Lemy Chow and family of Calgary, have taken up residence in Coleman and will go into partnership with the former's cousin, Mr. Joe Chow, in the Coleman Cafe.

Mrs. Chow left last week for Calgary where she will undergo medical treatment for the next two or three weeks.

Former Colemanite Honored On 83rd Birthday

SPRINGHILL — Friday evening the Carleton Hotel was the scene of a pleasant gathering when the members of the Royal Commission and other guests held an informal social evening in honor of MacKenzie Hunter, who was observing his 83rd birthday.

Mr. Hunter, who spent many years in Coleman and other parts of the Canadian West, returned to Springhill and has been a guest at the Carleton Hotel for the past several years during which time he has enjoyed wide popularity among the guests and staff and is well known throughout the Maritimes to the travelling public.

Harry Wilton-Clark, of Calgary, who acted as toast master for the occasion, presented Mr. Hunter with an appropriate gift, for which he expressed his appreciation.

As Mr. Hunter cut the decorated candle-lit cake, the guests sang "Happy Birthday to Mr. Hunter." Then followed a cribbage tournament with Mr. Hunter and Mr. Clarke representing the West against the gentlemen from Glace Bay who so nobly represented the East.

Included among the guests were Tom McLaughlin, former president of the United Mine Workers, Daniel Murray, Chief Inspector of Mines, and Mr. Gunn.

Coleman Old-timer Passes Feb. 8

Mrs. Margaret Mary Marconi, a well-known Coleman old-timer, passed away in the Crow's Nest Pass Municipal Hospital early on Sunday morning, February 8th following a period of ill health.

Mrs. Marconi, 70 years of age, was born on September 26, 1888, in Newcastle on Tyne, England. She came to Coleman in 1910 and had been a resident here since. She was a member of the Anglican Faith.

Surviving are her husband, John of Coleman, a daughter, Mrs. (Kathleen) Makin of Hillcrest; three sons, Gordon and Jack of Coleman, and Francis of St. Catherine's, Ontario; 12 grandchildren and one sister, Mrs. Robert Kerr, Calgary.

Funeral services were conducted from the Anglican Church in Coleman, Wednesday, February 11, when the friends and relatives of the late Margaret Mary Marconi gathered to attend the service.

Following the services preached by the Rev. Burton of Pincher Creek, the funeral cortege proceeded to the Union cemetery, where interment was made.

Palbearers were Joe Alampi, Pete Rizzo, Leonard Nastasi, Alf Phillips, Joe Petuk and George Arisone.

Attending the funeral from out of town were Mrs. Marconi's son Francis of St. Catherine's, Ont., a nephew, Frank Macdonald of Medicine Hat and Mrs. J. Carmello of Calgary.

Education Week, March 1 - 7

More Money For Education
At the Canadian Conference on Education last year, 850 delegates representing three million Canadians said:

"We must spend more money on education."

In 1957 Canadians spent:

\$1,687 million on defence.

\$1,585 million on cars.

\$1,322 million on tobacco and alcoholic beverages.

Only \$1,026 million on education.

Which of these are most important to the future of Canada?

Those things that come to the man who waits seldom turn out to be the things he's waiting for.

Mayor Aboussafy Reports At Annual Meeting

The annual Coleman Ratepayers' meeting was held Monday evening, February 9th, in the council chambers.

Mayor Frank Aboussafy reported that the town had a surplus of over \$6,000 and although this may indicate a successful year, it really was only an indication that the town had not spent the money that it had expected to.

This was due, he said, to either over-budgeting or the town was prevented from completing their planned programs through winter conditions.

One thing was done this year, he said, which was already proving its value. The installation of the artificial ice plant in the Coleman skating arena has proven a great success as hundreds of boys and girls and many adults were taking advantage of the arena and were spending many hours skating at the arena which has become the community centre.

The plant, he stated, involved an expenditure of around \$30,000 and a concrete floor was laid in the arena without any increase in the tax structure. The town during the past five years, has enjoyed tax-free municipal services and it is hoped that this will again be done in the forthcoming year.

The profits of the Coleman Light and Water Company, a town-owned utility, are below those of last year. The reason for this is not that sales are down but that the company have been renewing some of the worn-out equipment, and making such changes as were necessary to maintain a high efficiency in the system in order to meet the steadily increasing load put on it by the consumers who, because of the low rate charged, are installing electric stoves, heaters, washers and dryers at an ever-increasing rate.

In concluding his report Mayor Aboussafy expressed the thanks of the entire community to those people who helped keep down the cost of the artificial ice plant, improvements in the arena and laying the concrete floor by giving of their time and energy for this project without cost to the community. He also thanked the councillors' staff and many of the ratepayers for their assistance and co-operation during the past year.

Reports were then given by the chairmen of the various town departments, which indicated that much work had been done in Coleman during the past year. The municipal inspector's report was read and showed that the town's business had been carried out in a very efficient manner.

Votes of thanks were extended to the Mayor and Council for their fine work during the year.

Former Pass Man Dies In U. S. A.

Word was received in the Pass of the death recently in Pennsylvania of Francesco (Frank) Scarina, former Pass miner, and store operator at Natal, B. C., for a number of years.

Solemn Requiem High Mass was held for Mr. Scarina a week ago. Palbearers at the funeral which followed were Carmen and Joseph Aiello, William Lombardo, Patrick Mastrini, Thomas Abate, Louis Mercurio, Tony Bianco and Joseph Busciglia.

Born in Corral, province of Coenza, Italy, 56 years ago, Mr. Scarina had been an employee in the Sharon Steel Corp. On April 29, 1934, he married Lena Taverna of Fernie, B. C.

Besides his widow he is survived by a daughter, Eda, at home, who is a nurse at the General Hospital, Sharon, Penn.

Other survivors are three brothers, Jordan of North Braddock, Vincent of Pittsburgh and Albert in Italy.

Hillcrest Miners' Hall Razed By Fire

Alex Grant president of the Hillcrest Miners Literary and Athletic club, said today that efforts are under way to find a new home for his organization here.

The club's \$60,000 home was burned to the ground in a fire about 4 a. m. Sunday Feb. 8th. Only \$12,000 insurance was carried.

About \$3,000 was spent recently remodelling the 45 year old building which housed a pool hall, card room, recreation hall, dart gallery and library.

The newly-renovated portion of the building on the ground floor was to have been opened last weekend as a ladies' lounge.

Crows Nest Pass Winter Carnival Highly Successful Affair

Miss Shari Lord of Blairmore, sponsored by the Blairmore Fire Brigade, was crowned the Queen of the Crows Nest Pass Winter Carnival at a colorful affair held in the Blairmore arena Sunday evening, February 8.

Miss Jackie Krish of Coleman, sponsored by the Coleman High School was the other competitor. The new Queen was officially crowned by Miss Darlene Korman, reigning Queen of this year's Carnival. Miss Lord will represent the Crows Nest Pass at the Banff Winter Carnival.

The gala winter affair got underway in the Blairmore arena on Friday evening under the chairmanship of Bud Shapack. Master of ceremonies for the entire week-end was William (Bill) Harper, who very ably handled all affairs.

To open the affair Mayor William Jolley of Blairmore, welcomed all the visitors and guests and participants in the winter affair. He commended the Board of Trade for their efforts in sponsoring the carnival and in closing, wished luck to all competitors in the various events planned for the week-end.

Mayor Frank Ahoussafy of Coleman was then called upon and after congratulating the Blairmore Board of Trade and the town for sponsoring the carnival, he expressed greetings from the town of Coleman. Mayor Ahoussafy then declared the Winter Carnival officially opened.

Master of ceremonies Bill Harper then introduced the two Queen contest candidates, who expressed their thanks to all who were supporting them, after which reigning Queen Darlene Korman expressed her thanks to all for the pleasure she had enjoyed representing the Pass at Banff last year and for being reigning Queen of the present carnival.

Two hockey games between the Blairmore and Coleman minor leagues were then enjoyed with the Blairmore bantams winning out over the Coleman bantams by a score of 2-0, and the Blairmore midgets defeating the Coleman midgets 7 to 6.

On Saturday a \$100 bonspiel got underway in the Blairmore curling arena when the Roughhead rink of Coleman took top money of \$100 by winning out over the Phillips rink of Lethbridge. Winner in the consolation event was the Roy Upson rink of Coleman, who won a \$50 prize.

During Saturday afternoon a snow shoe race was held in the town park when Miss Korman proved her ability as a Winter Carnival Queen by out-running both Queen candidates around the town park. For having won the race Miss Korman was presented with a gift at the Sunday night festivities.

During Saturday afternoon judging of the local decorated store windows and entries in the snow figure building contest as done by a team of judges. On Saturday evening a display of flare skiing was held on the Blairmore ski hill by members of the Crows Nest Pass Ski Club. A hockey game in Blairmore arena saw the Blairmore bantams again win out over the Coleman bantams to the close score of 7 to 6. A dance in the Elks hall was enjoyed later in the evening.

On Sunday a second \$100 bonspiel was held in the curling arena when the Leopold rink of Natal took the \$100 prize by winning out over the Zak rink of Blairmore, who won \$30.

In the consolation event the Coyne rink of Lethbridge took the \$30 prize money.

During Sunday afternoon the annual ski tournament was held when Garth Emerson and Larry Hendrickson of Lethbridge, took first and second respectively in the senior men's downhill and slalom. Betty Oliphant and Judy Allan, both of Calgary, took first and second in the senior ladies' downhill while in the slalom event the two women reversed their wins.

Brent Gilbert of Blairmore, topped the list in the junior men's downhill and slalom while in the juvenile boys, Dick Burgman of Blairmore, took first and Ron McDonald of Maycroft took first in the midget boys' event.

Prizes were awarded at the arena during the evening.

At 6:30 p.m. the wind-up affair

of the gala week-end got underway in the arena when a costume parade was enjoyed by the many persons on hand to see the final event of the carnival. Each of the young people entered in the costume parade were awarded a prize.

Ski prizes were then awarded by Reino Kurri president of the Ski Club, assisted by his wife and Mrs. Jean Burgman.

William Harper then announced the winners of the window display contest and prizes were awarded to grade six, Mrs. Nora McLeod's room; grade five, Miss A. Kubic's room; grade two, Miss Audrey Bonne's room, and grade four, Mrs. J. Gray's room.

In the snow figure building contest master of ceremonies Bill Harper called up the president of the Blairmore high school and presented him with a cheque for the school for having built the excellent snow castle in the town park. Mr. Harper greatly commended the students for the fine job they had done as much comment had been made by visitors here on the beauty of the castle and the time put in building the snow castle. A prize was also awarded to the grade 8 room for having built the large whale figure in the town park, which drew much favorable comment from everyone.

Winners of the snow man contest were:

1st, Denise and Barry Dobek; 2nd, Barry Price and 3rd, R. Kubit and D. Peresini, while honorable mention was made of the snow man built by Robert Deharnals and

Caroline Kemp.

After introducing the little flower girl, Debbie Dax, and bearer of the Crown, Tommy Yanota, who nobly performed their duties during the evening announcement of the Queen contest was made.

Winners of the draw on the Queen contest tickets was \$50 bond won by ticket No. 4888 (name was not eligible), and \$10 by the Blairmore Fire Brigade.

In concluding the affair Mr. Harper expressed thanks to all who had helped make the carnival a success and gave special thanks to the well known Crows Nest Pass Band, who were on hand at all events to supply band and special music for the carnival.

Special thanks was also given to the Blairmore Fire Brigade, whose members were at the Blairmore arena all through the week-end affair patrolling the premises and sweeping ice and cleaning up for the curling events.

Letter To The Editor

Edmonton, Alberta,
Jan. 30, 1959.

Mr. T. Holstead,

Publisher,

Coleman Journal,

Coleman, Alberta.

Dear Mr. Holstead:

I am sure your readers will be

pleased to learn that the Christmas Seal Sale has again been brought to a successful conclusion. While it is pleasing to know that we are adequately financed for another year, it is equally gratifying to realize that over 103,000 individuals in Alberta are sufficiently impressed with our work to support us with their donations. To these people we express our sincere thanks. We are also deeply appreciative of the help received from many individuals and organizations who rendered assistance in the campaign.

On behalf of the Alberta Tuberculosis Association, I wish to express our gratitude to the Coleman Journal for the valuable aid in bringing the campaign to the attention of the public.

We were able to expand our program substantially during the past year with the result that, in cooperation with the provincial Department of Health, over 176,000 people received free chest X-rays. We are constantly seeking methods whereby our services may be improved and shall continue relentlessly until the scourge of tuberculosis is removed from our midst.

Yours sincerely,

E. A. D. McCusig,

President Alberta

Tuberculosis Assn.

Mrs. Rose Coccolone is a patient in the Crow's Nest Pass Hospital. Her friends wish her a very speedy recovery.

Harry Horn was surprised recently when he saw two large moose cross his path while on his way to school from his home in Willow Drive.

Scouting News

A District Council meeting was held January 22, 1959, in the Grand Union Hotel at Coleman.

Present were B. Fowle, A. Hobson, C. Weekes, G. Dunford, W. Kubica, C. Gilbert, Mrs. Nickels, Mrs. Szymanski, F. DeCocco, M. Dunford, E. Fabro, J. Salus and A. Williams.

The meeting opened with "The Lord's Prayer" after which the president, B. Fowle, asked acting secretary, A. Hobson, to read the minutes from the last meeting, which was held in Pincher Creek.

New business was brought up, after which reports were heard from Blairmore and Coleman Group committees and Scout and Cubmasters.

Blairmore showed a number of enterprises which would help to raise money, Coleman intends to hold a Scout, Cub and parent night some time in April. The leaders had encouraging reports showing 56 Cubs registered and 24 Scouts with increased activities.

Mr. C. Weekes, D.C., had much praise for the groups and leaders, and mentioned the fact that Boy Scout Week was to be held February 18 to February 22.

Any advertising to increase the interest of groups and individuals toward Scouting will be given free and the co-operation of all will be appreciated.

A Silver Arrowhead course will be held in the summer with standards supervised by Mr. Vincent and Mr. Weekes.

Before the meeting came to a close, Mr. Fowle mentioned that Mr. Vincent, Field Commissioner, had phoned him that he was not able to get down for this meeting.

A lovely lunch was served by Mrs. Salus, Mrs. Blinds and Mrs. J. Ondrus, which brought the evening to a close.

Scout And Cub News

The First Coleman Rover Scout Troop will again hold a bottle drive, this time on Saturday morning, February 21st, under sponsorship of its Group committee.

All residents are again asked to be generous and save their bottles for the boys to collect. It would be appreciated if the bottles could be placed in boxes and left on the porch for the boys to

Mr. and Mrs. H. Bouthillier visited Calgary over the week end guests of the latter's daughters Mrs. F. Gimmell and Miss Laura Johnston.

Miss Patricia Nelson accompanied by her brothers Bruce and Berek Nelson of Pincher Creek visited here over the weekend.

Proceeds from the sale of the bottles will help maintain the Scout troop and assist toward the cost of the annual Boy Scout camp.

At a meeting of the Group committee recently it was decided to have a Parent Night on Saturday, April 25th at 7:30 p.m. to give the parents some idea of the Boy Scout Association and the type of work the boys take on.

White Cane Week

"The theme of White Cane Week expresses the secret of success of every blind person in Canada," said Mr. Glen Elder, chairman of the Southern Alberta advisory board, the Canadian National Institute for the Blind.

The theme, "True Vision Lies Behind the Eyes", refers to the mental image of the world outside that sightless person's form through touch, hearing and the other senses. It illustrates the nation's 13th White Cane Week, a strictly educational period sponsored by the CNIB and the Canadian Council of the Blind.

"Some blind persons almost see," Mr. Elder observed. He told how a market gardener lost his sight and carried on his business through his own initiative and specially designed touch services. He con-

tinued to operate his green house and to keep up his orders as well as he had done before.

"His reputation is tops with customers today," Mr. Elder said, "but it was built through that inner true vision which came to his aid to defeat his handicap."

He described a blind housewife, who not only continues her regular duties, but has taken on hospital visiting among blind patients.

"This woman is a tonic to the strong as well as the weak," Mr. Elder said. "She believes that blindness need not bring a slump in life or reduce the scale of living. She radiates courage and constantly kindles vision behind the eyes wherever she goes."

Mr. Elder explained that those who are associated with the blind on the CNIB boards or with the CNIB recreation programs soon learn to think about the person rather than blindness. They say "Did you see this in the papers? Did you see that on TV? Many blind people own TV sets. Through training and the use of touch and hearing the blind envisage the world around them and follow much the same interests as their sighted neighbors for as Mr. Elder said: "True Vision Lies Behind the Eyes."

Legion Bingo Well Attended

A good crowd of bingo fans attended the Legion bingo on Friday night, February 13.

The jackpot of \$40 was not won so it will be \$45 to be won in 58 numbers at the next bingo. The jackpot consolation was split between Mr. W. Jenkins, Mrs. M. Gate and Mrs. A. H. Brown, of Blairmore.

The prize winners were: Grocery hamper, Mrs. Oswald. \$5 cash, Mrs. E. Rosek. Fry pan, Mrs. G. Oswald. Canning set, Mr. N. Horbecuk. \$5 cash, Mrs. D. Skinner. Heating pad, Mr. E. Waktulak. 10 gals. gas, Mrs. J. Kulik and Mrs. D. Mills (split). Rug, Mrs. Dot Chalmers. \$5 cash, Mrs. J. Petak. Consolation prizes went to Mrs. M. Fauville.

The door prize was won by Mr. R. Baydens.

Your employment column

In this column we publish questions about unemployment insurance and employment, together with answers received from the Unemployment Insurance Commission. Following are some questions with answers which may be of interest to you:

Q—A farm-owner holds an outside job. He works five 10-hour days, and is paying unemployment insurance contributions for the first time. If he were to be laid off during the off-season how many contributions would be required to qualify for benefit? If he is not eligible for benefit this year does he lose his contributions?

A—To qualify he needs not less than 30 contribution weeks in the 104 weeks prior to the date of his claim, eight of which must be in the last 52 weeks. If his main occupation is farming he may be eligible for benefit during the farming off-season (October to May) if his farm work is so insignificant that it would not prevent him from accepting full-time work. If he cannot qualify this year all contributions remain to his credit and may enable him to qualify at a later date.

Q—I am a married man with 10 children and in receipt of \$30 per week unemployment insurance. My neighbor who only has his wife to support receives the same amount. Why is this?

A—The amount of unemployment insurance is based on the number of dependents.

A—Dependency rate of benefit is paid to a claimant who proves he has a dependent within meaning of the Act and Regulations. The dependency rate applies regardless of the number of dependents.

Card of Thanks

I would like to thank Dr. Aiello, the nurses, nurses aides and staff of the C. N. P. hospital, the C. W. L. and all friends who called to see me during my recent illness.

'The Ten Commandments' to Show at Roxy Theatre

Cecil B. DeMille's Production of "The Ten Commandments," the mammoth dramatization of the life of Moses, will be shown at the Roxy Theatre on Tues., Wed., Thurs. and Fri., March 3, 4, 5 and 6.

Cast with over 25,000 players, the VistaVision, Technicolor colossus stars Charlton Heston, Yul Brynner, Anne Baxter, Edward G. Robinson, Yvonne DeCarlo, Debra Paget and John Derek with a large and distinguished supporting cast of top-liners.

Filmed in part in Egypt on the shores of the Red Sea, in the Sinai deserts and on the slopes of Mount Sinai, ten years in the making, the 3

hour, thirty-nine minute Paramount film backgrounds the story of Exodus with spectacle of a dimension that is history making in its scope.

Coleman Couple Celebrate 50th Anniversary

Mr. and Mrs. Albert Sygutuk of Coleman were pleasantly surprised by some 30 relatives who gathered at the home of Mr. and Mrs. M. Taje of Coleman, Saturday evening to honor the elderly couple on the occasion of their 50th wedding anniversary.

On entering the home the couple were presented with a corsage and boutonniere by their daughter, Mrs. J. (Violet) Wavrecan. After a turkey banquet was enjoyed the couple were called up and presented with a purse of money by their son-in-law, Joe Wavrecan on behalf of the family. Rev. Denis Fleming then congratulated the couple on the occa-

sion of their anniversary. Mrs. Sygutuk responded on behalf of herself and her husband.

The remainder of the evening was enjoyed socially. The couple also received telegrams and gifts from other friends and relatives. Mr. Sygutuk, 76 years of age, was born in Poland on February 1 and came to Coleman in 1909 where he worked for the Coleman Collieries mine until his retirement nine years ago. He was married to his wife in Poland in 1909

and Mrs. Sygutuk followed him to Canada in 1911.

They have resided in Coleman since their arrival to Canada.

They have two sons, Charles and Joe, two daughters, Mrs. Joe (Violet) Wavrecan, and Mrs. M. (Freda) Taje, and seven grandchildren, all of Coleman.

The couple are both enjoying good health. Mr. Sygutuk celebrated his 77th birthday on Sunday at his home when the family again gathered for the occasion.

Red Cross Sunday Set For March 1

Sunday, March 1st has been designated as "Red Cross Sunday" throughout Alberta with Saturday, February 28th as "Red Cross Sabbath".

Each year as a fitting prelude to the annual Red Cross campaign for funds the Saturday and Sunday nearest to March 1st are se-

lected as Red Cross Sabbath and Red Cross Sunday respectively, with the clergy of all denominations invited to mention the humanitarian work of Red Cross during regular services in churches and synagogues.

This year Red Cross Sunday and Red Cross Sabbath will have added significance as the Canadian Red Cross Society observes 50 years of service to Canada and the world.
